

LUTZ GROW

SALES & MARKETING INTERNSHIP

*See how growing your
sales skills can jump start
your financial future.*

Maximize your return on ambition.

As a sales consultant, or someone wanting to grow in their sales skills, you understand that taking control of your financial future is your responsibility.

This internship is a mentorship-driven experience for young and seasoned working professionals looking to grow in sales, marketing, and leadership. You will gain real-world experience through live sales conversations, marketing projects, and personalized coaching.

This process helps you build confidence, develop your communication skills, and prepare for success in any future career path.

Welcome to the Lutz Grow Sales & Marketing Internship.

Lutz Grow
Sales & Marketing

Day in the Life

Your Lutz Grow Sales & Marketing Internship can begin in the fall, spring, or summer, offering flexibility to fit your work and personal schedule.

Many interns are invited to continue beyond their initial term based on their performance and commitment to growth.

This experience is designed to help you build a healthy balance between work, continuing education, and life, while gaining real-world skills. Below is a sample schedule that gives you a glimpse into a typical day as a Lutz Grow intern.

Why This Internship?

"This internship gave me real experience and real confidence. I grew more in one summer than I did in years of classes."

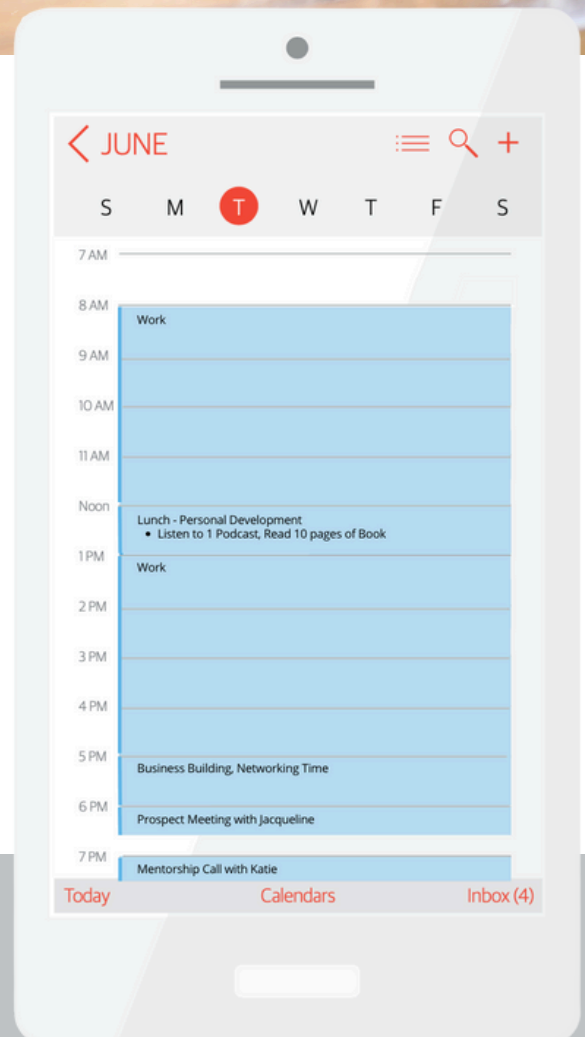

— Taylor M., Account Executive

"Caleb & Mary Beth are the best! Was so fun working with them, and cool to actually be able to earn as you go."

— Emma F., Sales Consultant

"This internship helped me find my voice and grow as a leader. A lot of my friends ask me for advice on personal growth, and it feels good."

— Ethan S., Marketing Student
